

**Workshop Title:**  
**Teacher and Student Workshop-Little Bit of Broadway**  
**Theatre Arts TEKS In Action**

**Workshop Description:**

Theatre Arts Lessons taught to teachers and students  
~ custom tailored to school's size, needs and objectives  
~ connections to state-mandated Theatre Arts TEKS  
~ hands on experiential learning for all participants  
~ experienced Theatre Arts teachers lead demonstrations as teachers and students participate

**Performance Outcomes:**

The students will:  
~ develop concepts about self, human relationships and the environment, using elements of drama and conventions of theatre  
~ interpret characters using the voice and body expressively and create dramatizations  
~ apply design, directing and theater production concepts and skills  
~ relate theatre to history, society and cultures  
~ respond to and evaluate theatre performances

**The teachers will:**

~ become familiar with, and gain an understanding of, the current Theatre Arts TEKS through observation and participation in a variety of theatre activities  
~ learn examples of Theatre Arts skills, knowledge and activities that can be successfully incorporated into their own classrooms  
~ respond to and reflect upon student and teacher experiences in an evaluation session  
~ exchange Theatre Arts lesson ideas with other campus teachers in an evaluation session involving topic brainstorming and lesson sharing

**Skills and Knowledge Taught:**

~ theatre arts foundations  
~ self awareness through dramatic play  
~ spatial awareness in dramatic play  
~ imitation of actions and sounds  
~ creation of objects in dramatic play  
~ demonstration of movement and voice  
~ creation of roles  
~ dramatization of stories, songs and poems  
~ use of environments in dramatic play  
~ cooperation in dramatic play  
~ imitation of cultural and historical experiences  
~ imitation of life experiences from school and community cultures  
~ Theatre Arts evaluation techniques
